

Dear Applicant,

We have received your application for licensure. However, we have not received any fingerprint reports back on you. This process has taken up to 6 months for some applicants. Therefore we are asking that you complete this form with the information requested and send it back to us so that we may issue you your license when the following application requirements have been met: application pages 1-4, photo, fees, transcripts or certified copy of diploma, and copy of NATABOC card.

If there is a positive finding in your background check, you will be noticed for a hearing before the Board to determine whether or not the Board will continue to grant you this license. You may review NRS 640B.700 regarding disciplinary actions which may affect the license holder.

By signing below, I confirm that I have completed the fingerprint process and sent my cards to the State of Nevada Criminal History Repository as outlined in the "Instructions for completion of fingerprint cards."
